**Otto Bock Announces New Hire in Orthopedic Services Business**

(Minneapolis, MN) - Otto Bock HealthCare welcomes new employee, Gabe Cabasaan, to the Orthopedic Services team as a Sales Representative for the Central Region.

“We are pleased to have Gabe join our sales force and we look forward to him making an immediate impact in his region,” says John Friedman, Chief Marketing Officer for Orthopedic Services. “His years of professional experience in the industry, along with his healthcare focused education, have allowed him to hit the ground running in his new position.”

Gabe comes to Otto Bock with a Masters in Healthcare Administration from Grand Valley State University and over twelve years of medical sales and service experience in the healthcare industry including sales in physical therapy/rehabilitation equipment and supplies, DME and respiratory pharmaceuticals in West and Central Michigan.

“I am excited to join Otto Bock and appreciate the confidence placed in me by the company to support its goals,” says Cabasaan. “I look forward to not only fulfilling but exceeding expectations in order to do my part in maintaining the company’s position as the worldwide leader in orthopedic rehabilitation services.”

###

Minnesota-based Otto Bock HealthCare LP was established in 1958 as the Americas corporate headquarters of Otto Bock HealthCare, GmbH, based in Duderstadt, Germany. Otto Bock has more than 4,000 employees worldwide and produces over 40,000 types of prosthetic and orthotic components, mobility and rehabilitation products, and is the U.S. leader in delivering continuous passive motion (CPM) services and related therapies.
